111 "what is communism?" vladimir afonin reply
to canadian listener's question on how ussr resolve problem of
socialist rev which entails radical change in econ and
social environment while change in ppl comes
far more slowly; details of socialist rev given and benefits of co-
ownership, pointing out education became one of the first priorities
of country's development after rev to make ppl aware and able
to fully understand socialism, stressing there is every
reason to say soviet young ppl are making
substantial contribution to advancement of socialism. (12 min:
